INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 40559-INT04

You are hereby notified that on this date, the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On January 11, 2005, the presiding officers issued a docket entry in this Cause expressing concerns regarding the timing of the Federal Communications Commission's ("FCC") issuance of its order promulgating the new UNE rules and the current deadline for an order in this Cause of February 16, 2005.

The parties were directed to submit viable options for the resolution of this arbitration. The responses to this docket entry were due Friday, January 14, 2005. Both parties submitted responses.

AT&T suggests a brief stay of the proceedings pending issuance of the FCC's permanent rules. SBC agrees only to a 30-day extension for the arbitration facilitator's report and the Commission Order.

The presiding officers currently find that a 30-day extension is appropriate and the arbitration facilitator's report to the Commission is now due February 21, 2005 and the date for a final Commission order is March 16, 2005.

IT IS SO ORDERED.
